

Thank you for submitting your bid for additional training grant for 2018/19. We have now completed scoring application. Your bid has been independently evaluated and moderated using the criteria listed in the 'training group framework' which has been developed and agreed by national chairs of the training groups.

How we have scored your bid scored against the pass mark threshold is shown in the table below:

| Evaluation criteria & weightings | Your bid score | Pass Mark Threshold |
|--|-----------------------|----------------------------|
| Outcomes delivered in line with CITB priorities in relation to local/specialist need (50%) | 37% | 30% |
| Value for money (40%) | 24% | 24% |
| Quality/How you are going to do it/evidence (10%) | 7% | 6% |
| Total | 68% | |

This means that your bid does provide assurance that outcomes will be aligned with needs for your region and CITB priorities. Overall your outcomes, demonstrated value for money, how you propose to deliver the activities and the evidence you have based your decisions upon. We have looked at all your outcomes and provided more detail below of funding approved:

| Proposed activity/outcome | CITB assessment | Additional training grant funding approved |
|----------------------------------|---|---|
| Scaffold Upskilling Course | Good evidence of demand and rationale, linked to CITB priorities to assist with costs of training only available out with local area | £10,000 |
| Advanced Scaffolding | Good evidence of demand and rationale, linked to CITB priorities to assist with costs of training only available out with local area | £3,000 |
| Plant Simulator | CITB now has three sets of interactive Virtual Reality goggles, which are FREE for industry to use and proving very popular attracting people to careers stands and when used at careers events | Nil |
| Mental Health Awareness | Linked to CITB priorities, positive impact on health and wellbeing of workforce. Good value | £1,000 |
| Behavioural Safety Event | Aimed at SME's, a proven successful event, with high number of beneficiaries. | £6,000 |
| Drug and Alcohol Awareness | Good initiative, linked to CITB's priorities | £2,500 |
| Driving in the Highlands | Excellent initiative, to increase the driving skills of young people working in the Highlands & Islands, linked to CITB priorities | £7,000 |
| Geographical Support Funding | Unique initiative to increase attendance rates at courses being delivered in a geographically challenging area, linked to CITB priorities | £5,000 |
| | | |
| | Total Approved | £34,500 |

If you wish to appeal against the decision in this communication, please can you come back to me in writing within 7 working days. We will consider and respond to your appeal within 14 working days.

CITB are keen to hear feedback on how you progress through the year. We will also be giving training groups an opportunity to raise emerging opportunities or areas of need your members highlight as the year progresses. To this effect, we will also provide an opportunity to gain additional funding for the remainder of 2018/19 at the end of quarter 2.
