

Site Visit to Inverness West Link Project

Date – Wednesday 1st March 2017

Time – 2.30pm for 3.00pm till 5.00pm

Venue– Inverness, meet at main site office

Hosted by Wills Bros, contractors for £22.5M West Link Stage 1 project for the Highland Council:

Roadworks construction is progressing, including an important new bridge over the River Ness.

This latest visit will allow viewing of erection of the steel superstructure using a large crane.

The visit will include a short introduction about the project with light refreshments available

Booking Details: This event is open to all related professions and is free to attend.

Places must be booked in advance with Neil Wallace - contact: neil@neilwallace.co.uk

Confirmation of places and joining instructions will be e-mailed to those on list of attendees.

Any changes in arrangements due to weather conditions will be advised to all those on list.
